SUCCESS BREEDS SUCCESS

Recognising the growing popularity of coloured, competition horse, the stud set out to breed a coloured Jumbo son. The aim was to produce a stallion with all the attributes of a top class competition sire - looks, movement, limbs, temperament, jump and trainability, all this with the added bonus of colour. In Free Spirit we feel we have achieved our aim.

As a youngster he was shown a few times in-hand with great success. He won the Youngstock Championship at The Nationals at Addington as both a 2 and 3 year old as well as taking the Sport Horse Championship. He was also In-Hand Champion at Hickstead.

Spirit's first crop of foals were born in 2005 and we are eagerly awaiting a large crop in 2006. Those born in 2005 were absolutely stunning as you can see from the pictures. He produced 86% coloured foals to plain coloured mares; all seem to be full of quality and very well marked.

Spirit was successfully graded with the SHB in 2003 – the only 3 year old to grade that year. In 2006 he will be combining stud duties with his competition career and will be eventing with Tony Clarke alongside his two half brothers Jigilo and Brief Encounter

HOTSPURS HIGH SPIRIT - by Free Spirit, from his first crop of foals.
